

# Concha Colomer

## *Symposium*

**Monday, 16<sup>th</sup> of July, 2018, Perugia**

---

27th ETC-PHHP Summer School "Lifecourse health development. Empowering people and settings"

---

### **POSTER PRESENTATION**

You are warmly invited to give a poster presentation of results of research studies, new research tools or results of innovative experiences in the area of lifecourse health development, empowerment, intergenerational projects, and health promoting settings. We especially welcome former participants of the ETC-PHHP summerschools as it will allow you to meet colleagues and friends!

#### **A) Important dates**

- Deadline for sending abstracts will be April 20th, 2018.
- You will receive an acceptance letter by May 19th, 2018.

#### **B) Structure of the abstracts**

- The abstract should not exceed more than 400 words apart from the title, authors, and affiliations.
- Please structure the abstract as follows: background, aim, methods, results and conclusion/discussion.

### **C) Instructions for sending abstracts and formal aspects**

- The abstracts can be sent to Gaby Ortiz Barreda [gabyortizbarreda@gmail.com]
- We accept abstracts in English or Italian.
- If the abstract is accepted, at least one of its authors must be registered in the Symposium and that registration and payment (50 Euros) is essential. If you have not done so before 1<sup>st</sup> of July 2018, your abstract will not be included in the program.

## **INSTRUCTIONS TO POSTER PRESENTERS**

- If your poster is accepted by the Scientific Committee, the author will be responsible for printing and bringing the poster. The size of the posters will be 100 cm (vertical) and 80cm (horizontal) with a clear reading from a distance of meter and a half (1.5 m).
- Prepare a small plastic pocket for business cards and A4 copies of the poster, which can be handed out to colleagues.

**LOOKING VERY MUCH FORWARD TO SEE YOU IN PERUGIA!!**
