

## Concha Colomer Symposium

# First Announcement

Perugia meets Europe. Symposium on Lifecourse Health Development Empowering people and settings.

Perugia incontra l'Europa. Simposium sulla promozione della salute valorizzando le realtà e le persone

Giornate di confronto e aggiornamento per tutti gli operatori interessati

Monday, July 16, 2018

Sala dei Notari o Sala Consigliare del Comune di Perugia

*The first day of every ETC Course is dedicated to our Spanish Co-founder of ETC-PHHP, Concha Colomer (1954-2011).*

*She was a feminist, Spanish pediatrician and public health practitioner and an influential leader both in the Europe and Latin-America. Her capacity of pioneering and sharing success was crucial for her personal, political and professional life. She worked at the University of Alicante as lecturer in pediatrics and later in public health.*
